From Pope Francis in the encyclical Laudato Si (2015) paragraph 117 & 118 / presented by Social Justice Ministry of C-IHM

We are convinced that “man is the source, the focus and the aim of all economic and social life”. Nonetheless, once our human capacity for contemplation and reverence is impaired, it

becomes easy for the meaning of work to be misunderstood. We need to remember that men and women have “the capacity to improve their lot, to further their moral growth and to develop their spiritual endowments”. Work should be the setting for this rich personal growth, where many aspects of life enter into play: creativity, planning for the future, developing our talents, living out our values, relating to others, giving glory to God. It follows that, in the reality of today’s global society, it is essential that “we continue to prioritize the goal of access to steady employment for everyone”, no matter the limited interests of business and dubious economic reasoning.

The Advent Reconciliation Service will be on Thursday, December 15, 2016 at 7 pm in the Cathedral.

El Servicio de Reconciliación de Adviento se llevará a cabo el jueves 15 de diciembre de 2016 at 7 pm en la Catedral.

Es difícil para que usted pueda escuchar en la catedral debido a el ruido y el eco? Usa aparato para escuchar bien?

La catedral tiene ahora asistencia de dispositivos de audición disponibles. Los receptores cuestan \$ 80 y usted será dueño de su dispositivo.

Si no está seguro que va a trabajar para usted, puede probar uno. Para obtener un receptor auditivo por favor llame a la oficina de la iglesia al (575) 524-8563.

Para las personas con audífonos, es necesario tener un tCoil activo en sus audífonos. No está seguro de lo que es? Pida un receptor con un lazo del cuello. Si el tCoil está activo, entonces escuchará directamente a través de sus audífonos. Si no, un audiólogo ha acordado activarlo (si los audífonos están equipados con ello) de forma gratuita. Sólo necesitamos su nombre y número de teléfono y ellos le llamarán para hacer una cita.

Is it hard for you to hear in the Cathedral because of all the reverberation and echo? Do you wear hearing aids?

The Cathedral now has Hearing Assistance devices available. The receivers cost \$80 and you will own your device.

If you are not sure if they will work for you, you can try one out. To obtain a hearing device please call the parish office at (575) 524-8563.

For those with hearing aids, you need to have a tCoil active in your hearing aids. Not sure what that is? Ask for a receiver with a neck loop. If the tCoil is active, then you will hear directly through your hearing aids. If not, a local audiologist has agreed to activate it (if your hearing aids are equipped with it) for free. We just need your name and phone number and they will call you to set up an appointment.

SAINT ALBERT the GREAT
(1206-1280)
Patron Saint of Scientists
Feast day - November 15th

As a young man Albert studied at the University of Padua, in 1223 he entered the Dominican order, and in 1225 he went to Cologne. At that time, he was thinking of leaving religious life, but the Holy Virgin Mary appeared to him to promise her support if he continued to

walk the spiritual path.

In 1241 he went to the University of Paris, where he lectured in theology. In 1248 he set up a house of studies for the order in Cologne, where he took his small band of budding theologians, the chief of whom was Thomas Aquinas, who became his greatest pupil. In 1260, he was appointed bishop of Regensburg, but he resigned after three years. In his later years, he resided in Cologne and took part in the Council of Lyons.

It was in Cologne that his reputation as a scientist grew. He carried on experiments in chemistry and physics in his makeshift laboratory and built up a collection of plants, insects, and chemical compounds that gave substance to his reputation. He was friend and adviser to popes, bishops, kings, and statesmen and made his own unique contribution to the learning of his age. He died in Cologne on November 15, 1280, and is buried in St. Andrea's Church in that city. His writings are remarkable for their exact scientific knowledge, and for that reason he has been made the patron saint of scientists.

El Libro de los Nombres de los Difuntos estará disponible en la iglesia cerca de la pila bautismal, en la cual los fieles podrán escribir los nombres de sus queridos difuntos quienes serán recordados en oración durante este mes.

Bereavement Ministry: "Blessed are those who weep and mourn for they shall be comforted."

The community of the Immaculate Heart of Mary sees a need to expand upon its Bereavement Ministry. We ask you to prayerfully consider whether God is calling upon you to offer your time and talent to a ministry of consolation and spiritual support to families who are grieving the death of a loved one. A successful Bereavement Ministry hopes to offer parishioners the opportunity for spiritual growth in loving response to our baptismal call to be prophets, priests and kings as children of God.

To ensure that your time and talent are respected and used wisely, the parish will provide training and resources. If you feel you might be called to serve others through this ministry, please contact Joan Staniswalis (575) 640-6930, or Fathers Bill or Marcel for information.
